Anil Gadamshetty

Individual Tax Organizer 3 / 3

👋 Welcome! We're so excited to work with you.

This organizer is "smart" - this means that questions will populate based on the information you give us. For example, if you indicate you are married, we'll ask about your spouse. If you're not - we won't! 😎

- Your answers will auto-save! You don't have to worry about losing data; you can come back any time.
- Once you provide us with the information once, it will save you time next year! You will be able to pre-fill your answers in the future, saving you time!
- You can complete this on your computer or mobile phone. If using the mobile app, you can use the scanner to take high-quality PDFs!
- [Click to download app on Google Play store](#)
- [Click to download app on Apple App Store](#)

Once you are done, please click 'submit'. When you submit, this will indicate to our team you are finished!

This organizer autosaves after every question you answer, and you may return to complete it later if you do not have all of the information needed.

You can use **Android or **iOS** Mobile Apps to scan your documents and upload them to the portal quickly.**

***** Please post your valuable review on Google <https://g.page/r/CeCEiBEzrfbZEAg/review> to redeem a **\$15 credit** for your next tax services. *****
