## Individual Tax Organizer 2 / 2

---

👋 Welcome! We're so excited to work with you.

This organizer is "smart" - this means that questions will populate based on the information you give us. For example, if you indicate you are married, we'll ask about your spouse. If you're not - we won't! 😎

- Your answers will auto-save! You don't have to worry about losing data; you can return anytime.
- You will save time next year once you provide us with the information. You can also pre-fill your answers in the future.
- You can complete this on your computer or mobile phone. The mobile app allows you to use the scanner to create high-quality PDFs!
